SUMMARY OF THE REASONS FOR DECISION:

The magazine contains explicit displays and descriptions of sexually fetishistic material. The focus in this is on the SM practice of Bondage and Discipline in which consenting participants involve themselves in binding and chastisement, inflicting or suffering pain for pleasure, occasional cross-dressing or sex changing, one instance of infantilism (dressing/acting as a baby), enacting humiliating activities which may degrade, dehumanise or demean the participants.

The Indecent Publications Tribunal in decision No. 127/93 found the publication *Bizarre Vol 2* which is published by the same publisher as the above discussed magazine, and is considered to be of the same series, to be unconditionally indecent under the Indecent Publications Act 1963.

The content of the magazine is found to present in a manner in which the contrived nature of the activity as well as the consent involved is made clear to the reader.

Due to the adult sexual activity which is presented, the magazine is classified objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.
